## GENERAL INFORMATION

The cattle offered in this sale are from two of Indiana's leading herds—Indian Valley, owned by Walter and Vanna Thrasher of Bloomington, and Robinwood, owned by Earl Robbins and John Whitehead of Greensburg and Waldron respectively.

This sale is primarily a complete dispersion of the Indian Valley herd. But due to a program of rigid culling, the herd contains only 20 lots. Therefore, the owners have invited the owners of Robinwood to make a draft from their well-known herd. So we have 20 lots from Indian Valley and 26 lots from Robinwood.

The terms of the sale are cash unless other arrangements are made with the owners before the sale commences and the sale manager is notified of the arrangements. Settlements are to be made with the clerk of the sale immediately after the conclusion of the sale. All stock will be at buyer's risk as soon as bid off, but the management will attend to loading on cars or trucks in compliance with instructions from the purchasers.

A certificate of registry and a signed transfer will be furnished for each lot sold and a properly signed application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

All animals in the sale have been tested for Tuberculosis and Bang's Disease within 30 days of the date of the sale, and health certificates will be furnished.

Announcements from the auction box will take precedence over printed matter in the catalog.

All persons who attend this sale do so at their own risk, and the owners assume no liability, legal or otherwise, for any accidents that may occur.

Inasmuch as this sale contains two separate groups of cattle, one of which is being sold as a complete dispersion, separate guarantees will be made in the forewords accompanying the respective groups.

Shelbyville is 25 miles southeast of Indianapolis and is easily reached by hard surface roads from all directions. Those needing hotel accommodations can find them at the Shelbyville Hotel or at any of the hotels in Indianapolis.

We wish to call attention to these other Shorthorn sales:

## DISPERSION OF THE INDIAN VALLEY HERD

In 1939 Walter and Vanna Thrasher laid the foundation of the now well-known Indian Valley herd of Shorthorns. The foundation animals were carefully selected from the best herds from this country. Later they imported a few choice females from Scotland and these have produced particularly well. Their last two herd bulls have also been imported, and they have made a real contribution to breed improvement in this country.

Their first imported bull was Aldsworth Bishop, a dark roan, bred by William Garne of Cheltenham, England. A two-year old when imported, Aldsworth Bishop was immediately put into service. His first crop of calves, shown in the 1946 Gold Medal Calf shows of Indiana, won enough to make him the Champion Gold Medal Shorthorn Sire of the year. Each succeeding calf crop has added to the prestige of Aldsworth Bishop, and the Indian Valley herd.

To use on the choice daughters of Aldsworth Bishop the Thrashers imported the red yearling, Elmley Gold Patrol, bred by R. D. S. Main of Churchill, England, and calved in 1945. His calves have been outstanding and most of the females in this dispersion will have calves by him at foot.

It is quite natural that, after building up such a good herd the owners should come to this dispersion with regret. But the larger of their farms has been sold, and other business interests demand increased attention and supervision. Furthermore, Walter's two sons, Donald and George, who were unusually active and reliable in caring for the cattle, are enrolled in the College of Agriculture at Purdue.

However, the Thrashers have definitely not lost interest in Shorthorns. Already they are looking forward to the time when the boys return from College, when another farm has been added, and when business interests will permit them to have once more a top herd of Shorthorns to graze the limestone pastures of Indian Valley.

The Indian Valley herd is backed by an enviable reputation gained through honest business practices over a long period of years. The pedigrees are correct and the cattle are healthy. Every cow in the herd either has a calf at foot or shows every evidence of being well forward in calf. Any known faults will be clearly announced on sale day. As this is a dispersion sale no further guarantee will be given.

● ALDSWORTH BISHOP, just turned 7 years old, has never been fitted nor shown and is in just thrifty breeding condition. In 1946 he was the Champion Gold Medal Sire of the Shorthorn breed in Indiana. In 1948 his get (see picture page 8) won championship over all breeds at the District Gold Medal Show at Loogootee. One of his daughters (Letty Rosebud 3rd, lot 17 in this sale) was the Champion Shorthorn female at Loogootee and the Champion 4-H heifer at the Indiana State Fair in 1948. His son Indian Valley Bishop 13th (lot 3) won first in the senior yearling class at the 1948 Indiana State Fair. You can't go wrong when buying a tried sire that has demonstrated his ability to sire high class calves.

● Elmley Gold Patrol is one of the top, young imported bulls in the country and his calves prove him to be a high class sire. Several of his calves are in this sale and most of the cows will have calves at side sired by him. He is a very impressive red, just four years old. He was bred by R. D. S. Main of Oxfordshire, England, and imported by Indian Valley in 1946 as a yearling. He is particularly thick and rugged with a great head.

● INDIAN VALLEY BISHOP 13TH 2406473 is a top bull by Aldsworth Bishop whose dam is Millhills Broadhooks 11th. He was first in Senior yearling class at the Indiana State Fair. He is a bull of great scale, depth, and quality, has a magnificent head and tremendous bone, and undoubtedly one of the best bulls that will be offered for sale this year. His dam sells in this dispersion, together with two half-brothers and a half-sister. You will be impressed by this great family. Compare them on sale day.

● INDIAN VALLEY BISHOP 14TH 2406474 is a very good dark roan son of Imp. Aldsworth Bishop. His dam was the Canadian show heifer, Brawith Jilt 2D. by Imp. Brawith Boy, the Highland Supreme Champion. This bull was the grand champion and headed the Grand Champion "Get of Sire" over all breeds at the 1948 Baltimore and Ohio Gold Medal Show, Loogootee, Indiana. He is level in his lines, heavy boned and good headed, and should be a top sire.

● I V GOLD PATROL 2D 2495703 has the breeding to be one of the best sires of the day. After determining by inspection that his dam was the best cow in the Indian Valley herd, we feel we can safely make this assertion. A great grandson of the noted Aldie Conqueror, a grandson of Collynie Elect, coupled with the breeding qualities of the other bulls in the pedigree—Tarvas Banner Bearer and Elmley Gold Patrol there is little left to chance. This calf will make an impressive bull with great bone and a wonderful head.

● MILLHILLS BROADHOOKS 11TH 2324696 (266039) is the best cow we have imported. She is very thick, low-set and typy with a typical Shorthorn head. Her sire, Tarvas Banner Bearer, was the sire of Millhills Arthur, one of the Champion group at Perth in 1945. Her dam is by Collynie Elect, the best son of the famous Aldie Conqueror. Her first calf, Millhills Broadhooks 12th, imported in dam, also two sons, the good Indian Valley Bishop and the very thick red bull, I. V. Gold Patrol 2d., sell in this dispersion. You can see the good breeding qualities of this cow; each calf by a different sire, and each one a top-notch. She will sell with another red calf at foot by the Imp. Elmley Gold Patrol. It is only at dispersion sales that cows like this one are offered for sale.

This young cow of strong ancestry, bred to this good red bull, will be a good addition to any herd.

## DRAFT OF 26 CHOICE FEMALES FROM ROBINWOOD

We hope that you will accept this catalog as a personal invitation to attend this sale. It was with regret that we learned that Walter and Vanna Thrasher had decided to disperse their Indian Valley herd. At their request we have consented to make this draft of females from our herd to make this sale possible.

Since discontinuing our own Annual Sales some years ago, we have enjoyed excellent private treaty sales, and have also tried to support the various consignment sales in Indiana. Hence we had made no plans for a sale this spring. The cattle we are offering are a choice lot of well-bred females in good breeding condition.

We are rather proud of the Shorthorn history made at Robinwood from the beginning of this herd in 1880 up to this present date, so it is with a mingled feeling of satisfaction and responsibility that we invite you to attend this sale.

All Shorthorn Breeders, both old and new, and all friends of Shorthorns, will receive a warm welcome at this sale, and we hope that the draft of females from Robinwood will merit your consideration as they have in the past.

We are selling our cattle with the standard guarantee approved by the American Shorthorn Breeders Association.
